## EOG CURRICULUM NIGHT

THURS., FEBRUARY 3RD @ 6:00

Believe it or not, we are halfway through the school year!

Students are tackling new and exciting topics each week.

We would like to invite each of you to attend our EOG curriculum preparation night. We will present EOG testing information and strategies to assist parents in preparing their child for the upcoming Reading, Math and Science EOG's.

**Bonus Opportunity:** Students who have an adult attend the curriculum night will receive a free "100" averaged in as a homework grade for the subject of their choice.

**Parents: Be sure to sign in! We look forward to seeing you!**

Are you wondering how your child is doing at school each day? Be sure to check their punchcard. This is how we communicate on a daily basis.

HEART

February is Heart Health Month! The warm weather has definitely been a treat this winter. Make active, healthy choices and take care of the ones you love! Happy Heart Day!

## NEW PUNCHCARDS & READING LOGS

This is the time of year when it is especially vital for students to work to their full potential. Thank you for all that you do to support your child's academic and social success.

Keep Reading Logs current! Students are now required to read at least 1,400 minutes for the third quarter. Please be sure to provide your signature (not initials) on the reading log each time that you observe your child.

Independent Readers become Independent Thinkers. The more they read, the more they are teaching themselves and others. Thanks to your involvement, they are off to a healthy start toward a lifetime of reading.
