

NO grades have been put in the grade book yet but if you don't stay the grade you have will be recorded.

For anyone who made below 80 on the pre-test and wants to stay after school for about 15 minutes on Tuesday to retake the test , here is where you can find some extra help from the book to study. It is 10 questions. I will give your coaches a heads up so they will know where you are. You will not be penalized by your coach.

Question # 1 - Page 106

Question #2- Page 106

Question #3-pg. class discussion on twins or you can read on the internet

Question #4-page 140

Question #5- page 121-132

Question #6- class discussion on twins or you can read on the internet

Question#7-page 121-122

Question #8-page 130

Question #9-page 122

Question #10- Class discussion on cloning or you can read on the internet

You must read your chapters in your book outside of class as well and study for this unit.
