

To Mother

Every mouse and bumble bee,
Every bird up in a tree,
Every caterpillar and lady bug,
Loves to feel his mother's hug.
Every bear so fat and funny,
Loves his mommy more than honey.
Just as woodland creatures do,
Mother that's how I LOVE YOU!

I planted some seeds in hopes that they'd grow.
Something went wrong, I just didn't know.
Instead of some flowers, it's a cupful of dirt.
I love you ! I hope your feelings aren't hurt.

I'm not always just perfect, even though I try.
Sometimes when I'm not so great, you give a little sigh!
On days like that I wish that I could make you smile,
And have you put your feet up, to rest a little while!
So the next time you are tired, and it's because of me,
Relax and run a bath, enjoy these salts so that you might see.
That you can use this little gift to soak your cares away,
So you can have a happy, happy, HAPPY MOTHER'S DAY!
