Classroom News

Thanks to all those who brought in canned food items for our food drive. We are also looking for small boxes and discarded magazines for a project.

I will be giving out party assignments. Each student will be responsible for bringing a certain item for each party. For example Joe's item is cupcakes. Then Joe would be responsible for 6 cupcakes for any party we would have throughout the year. If you are unable to bring your item, please let me know so that I can make other arrangements.

I have read the newsletter.
