visit <http://new.schoolnotes.com/chrispainter/> and click on the icon to access the information.

Why is our government divided into 3 branches?

Click on the link/picture checks and balances and read the article. Why did the Founding

Fathers create the system of checks and

balances. Provide 2 examples from the article.

Which branch of government is responsible for setting the government's agenda? What is the event and who is the key speaker?

What prevents Congress from becoming the most powerful branch of government?

Which branch acts as our government's referee? What is their rulebook, and what happens to a potential law if it is ruled unconstitutional?

90. ***EOC***
