

## End of the Year Checklist

**Directions:** You will be responsible for completing each of the following activities before the end of the school year. After you have completed each activity, bring it to me, and I will initial that you have completed it. Keep everything in your end of the year folder after I have signed off on each activity.

Activity	Mark When Complete
<b>End of Year Survey-</b> I will use this survey to help me look back on this year and to help me prepare for next year. Please answer each question carefully. You can find the link at the bottom of our class website.	
<b>ABCs of the Third Grade Pages-</b> Each person will be assigned 1-2 pages for our class ABC Book. Each page must be illustrated!	
<b>5 Things You Need to Know...</b> Go to our class website and complete the survey titled "5 things you need to know about Mrs. Covington".	
<b>Letter to a third grader-</b> You will need to write a letter to a third grader in my class next year. This letter will be on their desk the first day of school, and it will be the first thing they see. Do you remember how scary that day was for you? You can help the new third graders out by telling them all they need to know to survive the third grade. You should talk to them about behavior expectations, homework, the EOGs and about me! You can also tell them about neat things that we have done, and give them any advice you can to help them to be successful. This letter should be called, "Dear Third Grader in Mrs. Covington's Class".	
<b>Letter to your fourth grade teacher-</b> You will need to write a letter to your fourth grade teacher titled, "Dear 4th Grade Teacher". As soon as I know whose class you will be in, I will give them these letters. This will help them to get to know you as a student before they ever meet you. You should tell them about yourself and anything you think they need to know to help them be the best teacher for you. You can tell them about your likes and dislikes and your favorite things to do at school and at home. You can tell them which subjects you are good at and which you need a little more help with. You should include a goal for the 4th grade.	
<b>Memory Book-</b> Complete all pages and decorate.	
<b>Accelerated Reader-</b> Read, read, read to meet your AR goal so you can go bowling and to Village Park Splashpad with our class!
