

Exploring Technology Falcon Cove Middle School

Technology Class Rules

- 1. Do not leave your seats without permission including throwing out trash or sharpening pencils
- 2. Show respect for others by keeping your hands to yourself and not touching others or their belongings
- 3. Show respect for the equipment by handling carefully and not changing computers including desktop wallpaper or screen savers
- 4. Consider safety first when in doubt, ask the teacher

Consequences for inappropriate behavior

- 1st Offense Warning will be issued
- 2nd Offense Pre- detention writing assignment signed by parent
- 3rd Offense Detention
- 4th Offense Referral to administration

These steps do not apply to "Immediate Referable Offenses" listed in your Falcon Cove Discipline Plan. Print this out and return bottom portion I understand a project environment allows for creativity in learning, but requires respect for tools, materials and others in order to ensure everyone's safety. We agree to comply with the class rules and consequences.
