

2009-2010 Class Expectations

Ms. Daley – Science – 7th Grade

RED TEAM Members will show RESPECT by:

- Listening when others talk.
- Using positive and constructive language.
- Showing consideration for the personal space of others.
- Being considerate of the property of others.
- Observing Classroom rules.

Daily Classroom Rules and Information:

- Students will enter the class in an orderly fashion and prepare themselves to start class.
 - Sharpen pencil
 - Get out homework
 - Begin bell work
- Students will listen to directions carefully and ask questions by raising their hands if they do not understand.
- Students will not touch any lab supplies until directions and safety procedures are discussed.
- Students will stay on task and positively participate during laboratories and activities. Students will be safe and not distract others or they will not be able to participate.
- Students will always try their best.
- Students will help with all clean-up procedures and returning of lab equipment at the end of the period.
- Late assignments can be turned in the NEXT DAY for half credit, assignments that are later than one day will be accepted at the discretion of the teacher.
- Extra-credit opportunities may be available as the year progresses.
- Students will stay in their seats until they are dismissed.
- The teacher, not the bell, will dismiss students.

|--|--|
| <ul style="list-style-type: none"> • Scientific Method • Metric System • Rainforest Biome • Classification • Nature of Life • Cells • Microscopes • Field Study (Bronx Zoo) • Environment | <ul style="list-style-type: none"> • Ecology • Interactions in Living Things • Cycles of Matter • Energy in Living Things • Natural Selection • Genetics • Heredity • Human Body Systems • Biodiversity |
|--|--|

Grading Policy

Class work and Notebook	20%
Projects, Lab Reports and Quizzes	60%
Homework	20%

Homework is given approximately 2-4 times per week. Care and effort should be put into each assignment. This means using complete sentences when requested and labeling each page with your name and the assignment on the top. Late work is accepted for partial credit. Students are always encouraged to go online and take practice quizzes or look at related science links.

Binders are required. With teacher assistance, you will keep a table of contents and neatly manage any paperwork generated in this class.

Science Supplies

<p>Mandatory</p> <ul style="list-style-type: none"> • Writing Utensil (pen or pencil) • Spare writing utensil • 3-ring Binder (1 inch) • Binder paper 	<p>Optional</p> <ul style="list-style-type: none"> • <i>Calculator</i> • <i>Colored pencils</i> • <i>White-out</i> • <i>Page reinforcements</i>
