“Help End Hunger in America”

The Dallas Holocaust Museum/Center for Education and Tolerance in connection with Jewish Family Service, a local non-profit agency serving the public at large, needs your help.

During the months of March and April, all non-perishable food donated through the museum will be doubled by the Feinstein Foundation, whose mission is to “Help End Hunger in America.”

The school that donates the most food will receive books from the Dallas Holocaust Museum/Center for Education and Tolerance as well as recognition in the museum newsletter.

Be an Upstander in the fight against hunger in America!
Bring your donations when you visit the museum.
