

Study Guide  
Social Studies Test on Wednesday, September 23, 2008

Know the following vocabulary terms:

responsibility: something that a person should take care of or do

community: people who work and play together

consequence: what happens because of what a person does

citizen: a person who lives in and belongs to a community

volunteer: a person who spends time helping other without being paid

Please be able to tell an example of a consequence for doing something good, and a consequence for doing something bad.

Be able to tell one example of how you show good citizenship at home, at school, in the environment and in your community.

Students belong to several communities: school, classroom, family and city or town. Of these, the largest is their city or town.

Please know what state you live in, what city you live in and what country you live in.

Please know that the **constitution** is the document that makes sure that citizens are treated fairly and equally and explains laws in our country.
