

National Parks Multimedia Presentation

Name_____ Class_____

For this project you will:

1. Produce a slide show using Keynote and another product (such as a postcard or brochure) on a national park to be presented to other students, teachers, and/or family.
2. Use 3 or more internet sources to locate information on the park you have chosen.
3. Use 3 pictures in your final product.
4. Cite the information sources used.
5. Use correct spelling, grammar, and capitalization.
6. Use transitions for the slide show.

You may, but is not required:

Add music or video clips, if time allows.
